

Remarks

The present divisional application is being filed as a result of a restriction requirement in the parent application, Serial No. 10/009,168, for which a Notice of Allowance was issued October 20, 2003. The issue fee for the parent application is being paid concurrently with filing of the present divisional application.

The specification has been amended to insert a cross-reference to the parent application, and also the PCT application on which the parent application is based.

Original claims 1-20 have been replaced by new claims 21-39. These new claims correspond to non-elected claims 20-38, respectively, of the parent application.

Respectfully submitted,

Kazumi MATSUSHIGE et al.
